The Women's Committee Mission Statement

The Women's Committee is designed to provide components essential for both personal and professional growth. Through education, support, empowerment, and allegiance we will fortify the lives of women and families. Equality is no longer a vision, but a reality that will be obtained through sacrifice and unyielding leadership. It is our responsibility to execute the liberties, innately given to us all, into the fabric of global culture. Our sisterhood will operate as a cohort and cohesive unit with a utilitarian approach that will be unparalleled.
